

## ACT Growth Modeling Resources

**Name of file:** *Projection Explore grade 9 to Plan grade 10 (10 to 14 month).csv*

### **Assessments and Growth Period**

Test 1: *Explore*

Test 2: *Plan*

Subject 1: *Multiple Subjects*

Subject 2: *Multiple Subjects*

Grade level 1: *9*

Grade level 2: *10*

Length of growth period: *10 to 14 months*

### **Data Summary**

Date last updated: *July 10, 2013*

Student cohorts: *2010 to 2015*

N (students): *644,755*

N (schools): *878*

### **Description of Fields in File**

Field	Description
Test1	The assessment used at time 1.
Test2	The assessment used at time 2.
Subject1	The subject area of the test used at time 1.
Subject2	The subject area of the test used at time 2.
Variable	The name of the predictor variable.
Weight	The weight of the predictor variable (multiplier) used to get the projection.
